Product Benefits & Features
Optimal result with planetary mixing action

Planetary mixing action ensures all ingredients are combined thoroughly so that no ingredient is left untouched, resulting in even and smooth consistency for both small and full batch recipes.

1200 W powerful motor

To bake healthy wholegrain bread and thin-crust pizza requires a strong motor for effortless kneading. The powerful motor gives reliable performance and versatility in creating a variety of recipes for your baking journey.

Generous 5 L stainless steel bowl

The large bowl provides ideal capacity for creating small and big batches, from cupcakes for intimate family gatherings, to delightful cakes for special occasions.

Versatile tools

Creating tasty and healthy baked goods requires versatile tools. Bake your favorite sourdough bread, cream cheese frosting and meringue cookies using the dough hook, non-stick beater and balloon whisk.

Multiple speeds and pulse

Gain consistent and perfect results – from whipping light cream to kneading heavy dough by having precise control of six speeds and a pulse setting.
