

**Tailored programmes, for every fabric.**

There's no room for guesswork with the Refine 600 Steam Station. Simply select your fabric, and the iron will quickly apply the perfect mix of heat and steam. And to make sure you never miss a crease, the headlight will guide the way.

**Product Benefits & Features**

**Removing the guesswork from ironing**

Simply select your fabric, and the iron does the rest. By combining the ideal level of steam and heat, you never have to worry about whether or not you can iron delicate fabrics.

- Anti-calc system
- Vertical steam

**The headlight shows the way**

The always-on headlight illuminates creases for more efficient ironing performance. Never miss another wrinkle.

**Ready in a minute**

The Electrolux Refine 600 Steam Station delivers smooth results quickly: it takes only 60 seconds to heat up. Save time without sacrificing the results.

**Scratch-resistant soleplate**

Enjoy smooth steam ironing with the scratch-resistant RESILIUM™ Ski 221 soleplate. It evenly distributes steam for smoother ironing in all directions.

**Triple clean function**

Our Water Softener System combines an unique Soft Water Activator and a FlushClean function that keeps steam clean and soft, prolonging the product lifetime. An electronic reminder lets you know when to change the activator.

**Product Specification**

|                                |                |
|--------------------------------|----------------|
| Brand                          | Electrolux     |
| Main colour                    | Executive Grey |
| Sole plate coating             | Anodized       |
