

Care with precision.
Always look your best.

The Renew 800 Steam Station features programs that respond to your every need. The patented PrecisionCare™ Technology takes the guesswork out of ironing. The built-in headlight connects to a smart thermostat, ensuring the right temperature for any fabric and perfect visibility. Never miss a wrinkle.

Product Benefits & Features

Ideal temperature without guesswork

The tailor made programs ensure the right temperature and steam level for any fabric. When the digital steam station achieves the exact temperature, the headlight turns on. The patented PrecisionCare™ Technology takes the guesswork out of ironing.

- Anti-calc system
- Spray function
- Vertical steam

Always protected with Outdoor Care

Treat your favourite outdoor wear to precise temperature care. It re-activates water-repellency to keep you dryer for longer. (Better than air drying only for water-repellent outdoor garments.)

Scratch-resistant soleplate

Enjoy smooth steam ironing with the scratch-resistant RESILIUUM™ Ski 264 soleplate. It evenly distributes steam for smoother ironing in all directions.

Dual clean function

Enjoy better results for longer with a de-calc box and calc collector brush . A cleaner steam station with better ironing guaranteed, every single time.

Creases disappear quicker

7.5 bar pressure and a powerful steam shot means speedy ironing with great results.

Product Specification

Brand	Electrolux
Main colour	Executive Grey Metallic
Sole plate coating	Anodized
Temperature on max setting	180
Steam rate	110
Water tank	1.2
Super steam	None
Shot of steam g/shot	460
Vertical System	Yes
Spray	No
Anti-calc	Yes
Self Clean	None
Steam control (anti-drip)	Yes
Pilot lamp	Pulsating
Beaker	None
Cord length external	1.5
Product weight without cord kg	1
Height total	360
Width mm	260
Depth mm	281
Power W	2400
Voltage	220-240
Product Number Code	910 013 386
Bar code	7332543656516
