

**If your clothes feel good, so do you.**

Ensure your clothes are always in good shape thanks to optimum glide, extra steam and anti-drip.

**Product Benefits & Features****Easy gliding with ideal heat distribution**

The resistant SoftGlide™ ceramic soleplate with ideal heat distribution allows you to perform an easy and optimum gliding to care for your garments as it should.

- Anti-calc system
- Pilot lamp
- Spray function
- Superior gliding soleplate
- Vertical steam

**Powerful steam shot for extra care**

The powerful steam shot enables you to smooth out creases either horizontally or vertically. The vertical steam function is ideal for steaming curtains, suits, dresses and delicate fabrics - directly on the hanger.

**Hot soleplate indicator to protect your skin**

With the SafeTouch™ hot soleplate indicator, you protect your skin from burning as the equipment indicates when the soleplate reaches higher temperatures or when it's cool enough to be handled and stored.

**Easy and convenient handling**

Convenience whether using or maintaining your iron at its best. The anti-drip device prevents water from dripping out of the soleplate when the temperature selected is too low, while for a longer lasting and performance the auto-clean function prevents scaling and build up in the iron.
