

#### A fresh kitchen, silently

You no longer need to talk over a loud fan when sitting down to eat with family and friends with the 800 Breeze Hood. Activate at the touch of a button when you've finished cooking, and the kitchen is silently refreshed.

### Product Benefits & Features

#### Silently refresh the air with Breeze

Touch the breeze button as soon as you've finished cooking and the extraction level is cut to a whisper-quiet minimum and works for 60 minutes. Meaning you can enjoy your meal in peace while the air in your kitchen gets quietly refreshed.

- Electronic push buttons control with 2+2 Intensive, Breeze function speeds
- Cooker hood with sensor function
- Air extraction or recirculation possible, if charcoal filter (optional accessory) installed.
- Indicator for grease filter saturation
- Indicator for carbon filter saturation
- Cooker hood lamps type and number: LED bulb, 2
- Grease filter type and number: Aluminium mesh, 1
- Installation type: Chimney, width 60 cm

#### Hob2Hood® for pure convenience

The Hob2Hood® function wirelessly connects your hob to your hood. Start cooking and the hood will automatically adjust the settings, providing the best extraction based on the power selected on the hob. It does the hard work so you can keep your mind – and your hands – on your cooking.

#### This hood provides quick Extraction of unwanted steam and odours

The high-performance Extraction feature in this hood is made possible due to its powerful motor. It works fast to help you swiftly and thoroughly, clear steam and odours from your kitchen air.

#### Long life and great lighting – let LEDlights lead the way

Enjoy expert illumination while you cook. Our LEDlights use far less energy than other lights and provide excellent visibility in the kitchen, ensuring you cook with greater confidence and agility.

#### Standard grease filter for a clean kitchen

Our reliable grease filter means you can always enjoy a clear cooking space. When a new filter is required, it can be easily washed or replaced. Your kitchen will be cleaner for longer.
