

Automatic time and energy adjustment for efficient drying

Trust your laundry to the SimpliCare tumble dryer with OptiSense. It automatically adjusts the time and energy consumption, depending on the size of the load. Meaning that your clothes dry quickly and carefully, and are never over dried.

Product Benefits & Features

Efficient drying with OptiSense

The smart OptiSense system in our tumble dryer automatically adjusts the drying time based on the load of laundry. It monitors humidity, so your clothes are always perfectly dried. And thanks to the sensor, you'll never use excess energy.

- Condenser dryer: the moisture is condensed into a water container, no outside ventilation required
- Sensor dryer: the dryer senses when the clothes are dried to the level specified
- Additional time controlled drying programs
- Reverse tumble action loosens the clothes and prevents tangling and creasing
- Display type: BF medium LCD
- Delay start option

Convenient drying with Delay Start

With the Delay Start function, your tumble dryer will work around you. Easily adjust the start of the drying cycle to suit your schedule - just enter the time and let the machine do the rest.

Product Specification

Brand	Electrolux	Indicator drying status	Drying, Cool down, Anti-crease/end
Drying technology	Condense	Indicators other	Filter, Tank, Condenser
Full load capacity kg	7,0	Included accessories	Direct drain hose
Energy efficiency (2010/30/EC)	B	Optional accessories	Stacking kit
Dimensions HxWxD in mm	850x596x555	Cord length external	1.45
Depth max, mm	583	Wheels	4 adjustable feet
Nordic_Laundry_MotorType	Asynchronous	Connected load (W)	2250
Interior light	None	Required fuse (A)	10
Nordic_WM_ProductFamily	TimeCare	Voltage	230
Drum volume	104	Weight net cleaner and accessories no packaging	36
Drum material	Zinc	Installation	FS
Sound Power level, db(A) re 1 pW	67	Product Number Code	916 098 558
Reverse tumbling	Yes	Bar code	7332543673049
Color	White	Product Class	Tumble_Dryer
Annual energy consumption, kWh [E-label]	504		
Energy consumption of the standard cotton programme at full load in kWh	4.23		
Tank position	Panel left		
Tank capacity	4.66		
Cotton programmes	Cupboard dry, Extra dry, Iron dry		
Synthetics programmes	Cupboard dry, Extra dry
