

#### Less time on washing, more time for you

Our TimeCare washing machine with TimeManager function lets you reduce laundry cycles to suit you. Simply choose the TimeManager function on the panel and cut the cycle length by up to four times. Giving you great washing results at times that suit you.

### Product Benefits & Features

#### AutoSense for automatic washing adjustments

The AutoSense function adapts to your needs to provide excellent fabric care. This function adjusts the washing time, water and energy consumption depending on the size of the load. For complete laundry care without wasting resources.

- Inverter motor for increased performance and extremely silent working
- Maximum spin speed: 1400 rpm
- Washing programs: Eco 40-60, Cottons, Synthetics, Delicates, Express Care, Rapid 30min, Rapid 14min, Spin, Drain, Rinse, Anti Allergy Vapour, Duvet, Sport, Wool\Silk
- Silk program designed specifically for silk with gentle wash and adapted spin cycle
- Anti-foam rinse system
- Anti-flood protection

#### Soft Drum, for gentle laundry care

The Soft Drum is designed to handle your clothes with complete care. Gentle water jets lift and protect laundry during the wash, while the special pattern in the drum stops fabrics getting stretched or damaged during spin cycles.

#### Add steam for truly clean

The AntiAllergy Vapor 60°C washing programme provides steam at the end of the cycle, to give your clothes a hygienic and efficient clean. This helps reduce bacteria and allergens from your clothes, and supports better laundry hygiene.

#### Inverter motor - durable and energy-efficient

Experience energy-efficient washing for longer with the inverter motor. Built for low energy consumption and an extra-long lifetime, for continually efficient washing.

#### Laundry that works around you with Delay Start

The Delay Start function gives you control over your laundry. You can postpone the start time of your washing cycle, so that clothes aren't left sitting in the drum for hours. Now you can experience laundry that works around you.
