

Dry at low temperatures for great results while saving energy costs

Dry your laundry efficiently and effectively with the SimpliCare tumble dryer. Our energy-saving heat pump technology uses lower temperatures compared to standard models, so clothes keep their shape and last longer. For confident tumble drying.

Product Benefits & Features

A++ for energy-efficient drying

The heat pump technology in our tumble dryer uses less energy than traditional dryers. Its A++ rating means it will keep your energy bills down while drying clothes quickly and efficiently. And because it runs at lower temperatures, your clothes will last longer.

- Heat pump technology achieves unprecedented energy efficiency
- Sensor dryer: the dryer senses when the clothes are dried to the level specified
- Additional time controlled drying programs
- Reverse tumble action loosens the clothes and prevents tangling and creasing
- Display type: Digit and LED
- Delay start option

Reversible door for fitting flexibility

Our tumble dryer's reversible door means it will seamlessly fit into your kitchen. The handle can be installed in two different positions, for easy opening and closing. Specially designed to fit with your other appliances.

Convenient drying with Delay Start

With the Delay Start function, your tumble dryer will work around you. Easily adjust the start of the drying cycle to suit your schedule - just enter the time and let the machine do the rest.

Product Specification

Brand	Electrolux	Indicator drying status	Drying, Cool down, Anti-crease/end
Drying technology	Heat pump	Indicators other	Filter, Tank, Condenser
Full load capacity kg	8,0	Included accessories	Direct drain hose
Energy efficiency (2010/30/EC)	A++	Optional accessories	Stacking kit
Dimensions HxWxD in mm	850x596x623	Cord length external	1.45
Depth max, mm	650	Wheels	4 adjustable feet
Nordic_Laundry_MotorType	Asynchronous	Connected load (W)	800
Interior light	None	Required fuse (A)	4
Nordic_WM_ProductFamily	Other	Voltage	230
Drum volume	118	Weight net cleaner and accessories no packaging	47.96
Drum material	Zinc	Installation	FS
Sound Power level, db(A) re 1 pW	66	Product Number Code	916 099 032
Reverse tumbling	Yes	Bar code	7332543780358
Color	White	Product Class	Tumble_Dryer
Annual energy consumption, kWh [E-label]	235		
Energy consumption of the standard cotton programme at full load in kWh	1.93
