

Your everyday, washed with care

The 600 top-loader washing machine with SensiCare system adjusts the length of the programme to match the size of your load. It uses the right amount of water, time and energy to deliver the perfect care to laundry, whatever the size of the load. Clothes look good for twice as long.

Product Benefits & Features

SensiCare System - Customised care in a shorter time

Our SensiCare System weighs each load and automatically adjusts the cycle, so that your clothes are cleaned for just the right amount of time. Preventing over washing and ensuring items retain their look and feel for longer.

- Maximum spin speed: 1200 rpm
- Large LCD display
- Washing programs: ON/OFF, Eco 40-60, Cottons, Synthetics, Delicates, Rapid 14min, Rinse, Spin/Drain, Anti Allergy Vapour, Duvet, Silk, Wool Plus, Sport, Outdoor, Denim
- Automatic top positioning of drum opening at end of the program
- Silk program designed specifically for silk clothes
- Extra wheel for easy moving
- Anti-flood protection

Retain freshness with SoftPlus

Laundry feels soft and smells fresh for longer with the SoftPlus programme. It soaks and evenly distributes fabric softener before the final rinse, so all your clothing is perfectly cared for.

Save energy with Eco TimeManager

Enjoy energy-efficient washes with the Eco TimeManager option. Save resources by tailoring the length of washes to suit you, without having to compromise on quality. Clothes are cleaned carefully and efficiently.

Removes more than 99,99% of bacteria and viruses* from clothes

The Anti-Allergy programme certified by Swissatest is a high-performance wash cycle that removes more than 99,99% of bacteria and viruses* from clothes. By keeping your wash temperature above 60°C, you can also reduce allergens.

Soft Opening, for easy access

Easily load and unload your laundry with our Soft Opening system. The push-button lid and soft inner-drum doors make access simple and safe. And because the opening is at the top, you can clearly see the contents.
