

The easy, connected way to stay cool

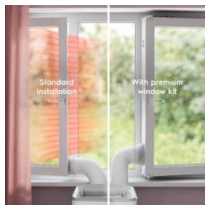

The Comfort 600 Portable Air conditioner delivers cool air and superior noise levels. The new Electrolux App and intuitive controls are easy to use, and the Window Kit is easy to install.

Product Benefits & Features

Easy to install with the Window Kit, easy to control via the app

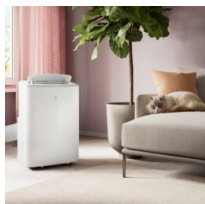

Install easily with our Window Kit to get full cooling performance in summer. Set your desired temperature, schedule your favourite mode remotely via the Electrolux App.

- 24 hrs Timer operation makes you able to set delay start up to 24 hrs
- Full Auto mode: set a default temperature to cool the room when needed
- De-humidifying function for a fresher indoor climate

Optimised energy consumption

Our portable air-conditioner offers superior energy-efficient cooling. With our Premium Window Kit¹, you can even save up to 28% more energy due to less infiltration².

¹ Premium Window Kit sold separately.

Cool air, quiet comfort.

Experience a powerful flow of cool air in peaceful, quiet comfort thanks to a low noise level of 64 dB(A)³.

³According to Noise test standard: EN 12102-2013

Get comfortable fast

Get cool and comfortable fast. Use the Premium Window Kit¹ and you can get cool in up to 60% less time².

¹Premium Window Kit sold separately.

Sustainable solution lessens climate impact

A more sustainable solution: The refrigerant used is sustainable R290 gas, which reduces the portable air conditioner's global warming potential (GWP) by 99.8% when compared to portable air conditioners that use R410a.

Product Specification	
Main colour	White
Cooling Capacity (rated), kW	3.4
Nordic_AC_EER_SEER	-/2.6
Energy cons. (kWh) (2010/30/EC)	1.3
Nordic_AC_NoiseLevel	64
TEST_Refrigerant_Volume	R290/0.21
