Tailored to the size of your pans with Infinite self-sizing zones

The Infinite self-sizing cooking zones adapt to the size of your pans as soon as they are covered. The zones offer total coverage, whatever the size of your pot, delivering heat with no performance loss. Enjoy accurate and efficient cooking with our self-sizing zones.

More space for delicious dishes with XL Triple Zone

Experience total cooking freedom with the XL Triple Zone. The large cooking zone means that you can use your biggest pots, pans and even paella dishes, on the hob. And with our induction technology you don't have to compromise on heating performance.

Hob2Hood® for pure convenience

The Hob2Hood® function wirelessly connects your hob to your hood. Start cooking, and the hood will automatically adjust the settings, providing the best extraction based on the power selected on the hob. It does the hard work for you.

Direct touch control for every zone

Easily adjust your hob's temperature settings with our direct touch controls. Each cooking zone has an individual power control, so it's clear to see and simple to change the heat settings. And as it's one smooth surface, it's easy to clean.
