

**Clear the air, quickly and efficiently**

When you want your kitchen air cleaned quickly, you want the 600 ExtractionTech Hood. Bolstered by a powerful motor that offers two speed options, you'll never struggle to remove unwanted smells or fumes in the kitchen again.

Product Benefits & Features**Keep kitchen air clean with this powerful Hood Motor**

This powerful, advanced Hood Motor ensures that your kitchen remains free from unwanted fumes and cooking smells. It clears the air quickly and efficiently.

- Push button controls with 3 speeds
- Air extraction or recirculation possible, charcoal filter included.
- Cooker hood lamps type and number: LED spotlight, 2
- Grease filter type and number: Aluminium Cassette, 2
- Installation type: Chimney, width 60 cm

**Long life and great lighting – let LEDlights lead the way**

Enjoy expert illumination while you cook. Our LEDlights use far less energy than other lights and provide excellent visibility in the kitchen, ensuring you cook with greater confidence and agility.

Standard grease filter for a clean kitchen

Our reliable grease filter means you can always enjoy a clear cooking space. When a new filter is required, it can be easily washed or replaced. Your kitchen will be cleaner for longer.

Hood control at the push of a button

Enjoy total hood-control at the push of a button. Simply press to increase or decrease the hood's power, so you can experience a clear cooking environment.
