

**Get cooking quicker**

This Full electric cooker heats up faster than standard ceramic hobs. So whatever you're heating – butter for scrambled eggs, oil for sausages, and water for vegetables – is ready sooner.

Product Benefits & Features**Clean up the hob with one smooth wipe**

It couldn't be simpler to keep this cooker clean. The cooker has an absolutely flawlessly smooth surface – without even any knobs – so you can clean up with one wipe.

- Cooker with electric oven and hob
- Hob type: Ceramic Glass
- Controls for 4 energy regulated cooking zones
- Oven Cleaning: Black Enamel
- Easy to clean oven door
- Rear exhaust for oven fumes
- Cooling fan
- Drawer for storage of cooking utensils

A clever innovation that lets you cook without a care

This oven door has several clever innovations that let you cook without a care. Together, they ensure the outside of the door remains safely cool to the touch.

**Use every inch of space inside – everything will cook evenly**

Thanks to this cooker's extra large fan, your dish will cook completely evenly wherever you place it in the oven, so use the space however you want to.

**Create the heat source you need, with this flexible, adaptable hob**

Make sure you always have the flexibility you need in the kitchen. This ceramic hob has extendible multiple zones, to give you a heat source to suit every dish.

Bake more at once

Expand the realms of deliciousness with our XL Baking Tray that enables you to bake more at once. Creamy cupcakes for a mid-afternoon treat. A savoury meatloaf for great friends. More room means more great recipes.
