

**Easy heating, cooking or defrosting**

Whether you're cooking tender greens, defrosting a rich ragu or re-heating leftovers, our kitchen-essential 300 Microwave is the most convenient way to do it. Perfect for multi-tasking or warming in a hurry.

Product Benefits & Features**Microwave - your kitchen shortcut**

The microwave function is your shortcut to quick and delicious meals. At the touch of a button, you can melt chocolate, defrost your favourite casserole or re-heat leftovers, fast. It's the quick and easy way to create tasty meals.

- Cooking modes: Microwave
- Microwave power: 700 Watt, 5 levels
- Automatic cooking programs by weight
- Automatic defrosting programs by weight
- LED display
- Control knob for power selection

Thaw your food quickly with our defrost function

Your frozen food is ready quickly, thanks to the microwave's defrost function. After you've selected the food type and weight, the microwave automatically calculates the time it will take. It then starts to thaw your dish while maintaining both the flavour and texture.

**Easy timing, great results**

Never overcook your dish in the microwave with our easy-to-set timer. Enter how long you would like the microwave to run for and it will automatically turn off when the time has elapsed. If you're not happy with it, it's easy to add extra time at the touch of a button.

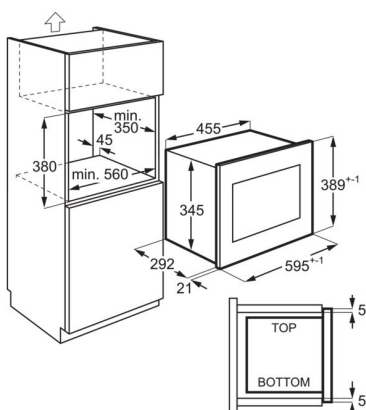

**Tasty results with Auto Program**

Microwave without mistakes using our Auto Programme settings. It's simple to activate, letting you choose from a number of options. It will automatically set the right power level for your dish to make microwave cooking easier, and tastier, than ever before.

Product Specification
