

More flavour, less food waste

The 500 ColdSense Fridge Freezer quickly returns to the correct temperature after door opening and closing, thanks to precise electronic sensors. This helps to prevent temperature shocks and food spoilage, reducing food waste by up to 20%.*

Product Benefits & Features

Less freezer maintenance, with LowFrost

The integrated LowFrost system maintains your freezer's temperature to help prevent the build-up of frost. For better performance and less maintenance.

- For fully integrated, slide door installation
- Automatic defrosting of the cooling compartment
- Action Freeze function freezes food fast and preserves flavour and vitamins
- Audible and visible warning signal for open door
- Special refrigerator drawers: No Trims

Compressor ten-year warranty

Enjoy total peace of mind knowing the compressor itself has a ten-year warranty. The warranty covers damages which could be incurred during labour, transportation, gas removal and refilling, or general maintenance.

Precise food storage with Internal Electronic Control

Take command of the storage conditions of your food with Internal Electronic Control. The LED indicators conveniently show you the temperature, and the settings remove any guesswork.

Humidity Control for fresh greens

Enjoy delicious vegetables with our Humidity Control drawer. By managing the moisture in the air, it creates the best environment to store food. Closing the vents creates the ideal space for storing herbs and leafy greens, while opening the vents gives optimum storage.

ColdSense protects food by quickly restablising the temperature

ColdSense uses precise temperature sensors to quickly return the Fridge Freezer to the right temperature after door opening and closing. This helps to prevent temperature shocks and food spoilage, reducing food waste by up to 20%.*

Product Specification

Brand	Electrolux	Type of fast freeze function control	Touch Button Auto Return
Door colour	White	Fast freeze indicator control	Yellow Lamp
ColourSide	White	Shelves Refrig type of	White Plastic
Installation	BI Slide Door	Shelves Refrig special	None
