

**More flavour, less food waste**

The 500 ColdSense Fridge Freezer quickly returns to the correct temperature after door opening and closing, thanks to precise electronic sensors. This helps to prevent temperature shocks and food spoilage, reducing food waste by up to 20%.*

Product Benefits & Features**Less freezer maintenance, with LowFrost**

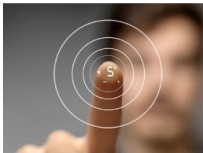

The integrated LowFrost system maintains your freezer's temperature to help prevent the build-up of frost. For better performance and less maintenance.

- Automatic defrosting of the cooling compartment

Effortless control with Touch Electronic Controls

Touch Electronic Controls provide easy access to the fridge's settings and functions, so you can manage the temperature depending on your needs. Ultimate control at your fingertips.

**Premium LED fridge lighting**

Enjoy excellent visibility with our fridge's integrated LED lighting. The discreet, energy-efficient bulbs shine a bright light across the whole space. Consuming ten times less energy than standard lighting.

Maintain perfect texture with FastFreeze

The FastFreeze system freezes fresh foods quickly so that vitamins, textures, flavours, and all healthy qualities are better preserved.

Reliable shelves with safety glass

Strong shelves inside the fridge is made of safety glass, renowned for its durability. And if there are any accidental spillages, it can easily be cleaned up with a damp cloth.

Product Specification

Brand	Electrolux	Intensive cooling fridge	No
Door colour	Stainless Steel with Antifingerprint	Type of fast freeze function control	None
ColourSide	Grey	Fast freeze indicator control	No
Installation	FS	Shelves Refrig type of	Foil on Plastic
