

**No Frost, forever**

No Frost technology prevents ice from building up in the freezer, so you never have to defrost it again. Making it more hygienic and easier to clean, while giving you extra room to store the ingredients that you love.

Product Benefits & Features**No Frost keeps your freezer ice free**

With the No Frost technology, there's no need to defrost the freezer. It prevents the build-up of ice, so you can always be sure of maximum performance.

- For fully integrated, door-on-door installation
- FrostFree freezer with automatic defrosting
- Action Freeze function freezes food fast and preserves flavour and vitamins
- Fast freeze function with automatic return to normal
- Audible and visual warning signal for high temperature
- Audible and visual warning signal for open door

Compressor ten-year warranty

Enjoy total peace of mind knowing the compressor itself has a ten-year warranty. The warranty covers damages which could be incurred during labour, transportation, gas removal and refilling, or general maintenance.

**The Touch Electronic Control on Top offers easy access to functions**

Precisely set the temperature and easily access the Freezer functions, thanks to the clear display of the Touch Electronic Control on Top.

Smooth, quite, soft closing door

Enjoy specially crafted door hinges that help to prevent an accidentally open freezer door that can lead to wasted energy and spoiled food by ensuring a snug, secure and quiet experience when closing the door.

Maintain perfect texture with FastFreeze

The FastFreeze system freezes fresh foods quickly so that vitamins, textures, flavours, and all healthy qualities are better preserved.
