

**Fresher kitchen with carbon filters**

The carbon filter for recirculation hoods make sure your kitchen is kept odour-free. The filter filtrates vapours and grease created by cooking. Replace regularly for peak performance of your cooker hood.

---

**Product Benefits & Features****Long life, reusable carbon filter**

The reusable carbon filter should be hand-washed, or cleaned in the dishwasher every 2-3 months. Dry in the oven to maintain efficient filtration for a fresher kitchen.
