

**Spotless floors and pure air**

Fully sealed PureFlow system for superior performance and advanced filtration, effortlessly.

Product Benefits & Features**Long-lasting performance**

The revolutionary 3D filter, a critical step of the 7-stage filtration system, enables superior cleaning performance, with minimum loss of suction.

- Bagless
- Integrated parking slots
- Power regulation
- Remote control
- Soft wheels

**Sealed filtration system**

The 7-stage filtration system enables advanced micro-dust filtration and guarantees only clean air is released back into your home.

**Effortless maintenance**

The intuitive dustbin emptying system and easy access filter allow for quick and simple maintenance.

Easy-Roll wheels

With extra large wheels and precision handling, the Pure C9 follows you around the home effortlessly, sparing you bumps.

Lifetime filter

The exclusive lifetime filter that never needs replacement, for complete peace of mind.
