

**Flexible crevice 63cm long for easy cleaning behind appliances**

How would it be to be able to reach down behind the washing machine, radiator or car seats? With the flexible crevice you can reach these spots with an ease! For the really tricky spots the crevice can be bent around corners, for a spot less result.

Product Benefits & Features

Fits all 32/35mm connections

1 x Flexible crevice 63cm
1 x Adapter 32/35 mm
