

The technical drawing consists of two views of a mechanical part:

- Section View (Left):** A cross-sectional view of the part. It shows a central rectangular section with a width of 110 and a height of 18. The central section is divided into three horizontal layers: a top layer of 52.5, a middle layer of 2.5, and a bottom layer of 52.5. The central section is flanked by two side sections, each with a width of 27.5 and a height of 6. The total width of the part is 110. The central section is labeled "stainless steel" and the side sections are labeled "black steel".
- Perspective View (Right):** A 3D perspective view of the part. It shows a long, rectangular block with a wavy, undulating top surface. The block has a series of circular holes along its length. The material is labeled "stainless steel".
